## THE HEARTBURN KID

Congratulations to Mort Drucker and Larry Siegel for "The Heartburn Kid." And pass the Roloids!

Mike Duszynski  
Toledo, Ohio

I must admit that I was slightly disappointed by your "The Heartburn Kid." Though witty and consistently amusing, I was alarmed at the awful job Mort Drucker did on the divinely sensual actress, Cybill Shepherd. I guess it just proves what I've been saying for years: Perfect beauty is inimitable, even when handled by some of the greatest cartoonists.

Milan Paurich  
Youngstown, Ohio

Larry Siegel's ending to "The Heartburn Kid" earns it a Family Rating!

Hames Ware

## LIGHTER SIDE OF CRIME IN THE STREETS

Dave Berg did a great job on "Crime In The Streets." I spend so much money on MAD that I don't have anything worth stealing.

Mary Busby  
Cinnaminson, N.J.

I didn't take any chances while reading Dave Berg's article. I read it in the store. How about a follow-up article on being criminally ejected by a magazine store owner?

Mark Kersey  
Venice, Calif.

I pay tribute to Dave Berg for this and all his past and future "Lighter Sides"! Jane Yeomans  
Ft. Myers, Fla.

The biggest crime of all is the fact that someone so clever and talented as Dave Berg writes for your crummy magazine.

Michael Ratner  
Brooklyn, N.Y.

I was really looking forward to reading Dave Berg's "The Lighter Side Of Crime In The Streets." But, before I could get home with it, the magazine was stolen!

Mary Hale  
Long Lake, Minn.

## MINGO'S SAND CASTLE COVER

Norman Mingo's Alfred and his sand castle cover is as wistful as waning summer and will give me a warm feeling all winter. Lovely, Norman!

Carol Carter  
Los Angeles, Calif.

The cover of your October issue was startlingly prophetic. Everyone on the beach looked at their watches, picked up their blankets, and moved back near the boardwalk. I sat there reading my MAD, and the next wave soaked my shoes, blanket, and watch. Everyone applauded as I came running in, holding my issue of MAD high and dry.

Dr. Norman Dean  
Fallston, Md.

## IN MEMORY OF FREEDOM OF THE PRESS

I am enclosing the back cover of your most recent edition, "If It Were Up To The Nixon Gang..." I am thoroughly disgusted and appalled at your lack of integrity and judgement in publishing such a page in a magazine for young people. I have three fine sons who love to read MAD, and so do I, because the satire is usually in good taste and not damaging to their minds. We love our country and respect the office of the President of the United States. Although we do not always agree with everything he might say or do, Mr. Nixon is our President. How can you see any fairness or teaching of young minds to respect their elected men in office, their country, and law and order when you publicly display such a cover? You might think it, but to publish it in a youth magazine seems poor taste, and a flagrant violation of regard for the training, parents who do care are trying to instill in their young. Humorous satire is good, it keeps each individual on their toes and lets us see ourselves as others see us, but disrespect is quite another thing. This page shows nothing but sad disrespect for our office of the President.

Mrs. William R. Hamilton  
Greeneville, Tenn.

Your last two back cover mini-posters were really political beauties and... "If It Were Up To The Nixon Gang..."

## YOU KNOW IT'S REALLY SUMMER

"You Know It's Really Summer When..." you start getting Winter issues of MAD!

Tom Hetherington

## OLD STANDARDS REWRITTEN

By basing your article "Old Standards Rewritten For The Liberated Woman" on old, unfunny jokes and stereotypes of the Liberation Movement, you're showing how little you know about the Movement.

Hallie Cantor  
Los Angeles, Calif.

Although I am a firm believer in feminist ideologies, I still found your misrepresentation of the feminist movement very amusing, even humorous.

Karen Kelly Tariel  
Stockton, Calif.

## SUMMER CAMP OWNER OF THE YEAR

"MAD's Summer Camp Owner Of The Year" by Larry Siegel and Paul Coker described the Camp at which I was counselor, a year ago. They must have been there, too, to depict it so perfectly. Our camp nurse gave out Milk of Magnesia, no matter what the complaint and there were rattlesnakes found on the lump known as the baseball field.

Carla Parness  
Northridge, Calif.

As a real MADman for seven years, I've never gotten a chance to write. But Larry Siegel and Paul Coker really hit it on the head with their camp article. I had a similar experience with a nut just like Sidney Goldstar last summer and as a result went home after three days. We're still trying to get our \$1200.00 back.

Jonathan Cohen  
Newton, Mass.

Ever notice how many school principals own or operate summer camps? Maybe that's why the mashed potatoes taste like library paste.

THE REASON THIS SHOW IS STRANGE IS BECAUSE THE LEADING CHARACTER DOES NOT BELIEVE IN KILLING ANY LIVING THING. HE BELIEVES IN TRUST AND THE ULTIMATE GOOD OF MANKIND. HE OFTEN SPEAKS IN PARABLES FROM WHICH WE LEARN. AND HE PREACHES NON-VIOLENCE! IF THAT'S NOT A STRANGE CONCEPT FOR TELEVISION, YOU HAVEN'T SEEN THE OTHER SHOWS COMPETING WITH—

CHOP SHTICK DEPT.

# KUNG FOOL

ARTIST: ANGELO TORRES

WRITER: DICK DE BARTOLO

Does that parable mean that truth is its own just desserts?

Yes! And speaking of just desserts ... where is that piece of pie you stole?

Are you coming, Mister?

But I did not steal a piece of pie!

Pie ... ? Who said anything about pie?

Pay no heed! It would be too hard to explain! Uh ... what is going to happen to me now?

You'll get a fair trial ... and then you'll be sentenced to six months at hard labor, working on the railroad gang!

I have not had my trial yet! How can you know what my sentence is to be???

Because this is a small town! And in addition to being the Sheriff, I also happen to be the Judge, and the Jury!

You are hereby found guilty, and sentenced to six months of hard labor, working on the railroad gang!

See? It happened just as I predicted it would!

And what of my friend outside?

I'm giving him six months of hard labor, too!

You ... you said you'd get me some nourishment! Did ... did you succeed?

Yes ... I got you free food, and free drink ... and even a place to stay!

How can I ever thank you?

I ask for no thanks! However, I feel the Sheriff will want a little something! Say ... about six months of your time!

All right, you've all been sentenced to six months of hard labor on this railroad gang! Now what're your names, an' what can you do?

My name is Tame! I can chop down trees and hew railroad ties! I can also mine iron ore, smelt it into steel, and make railroad tracks! I can also fashion the molten iron into steam locomotives!

Good! What can the rest of you do?

We can be the passengers on the railroad the Chink builds!

I have only told, in all honesty, what I am able to do! And yet, you have insulted me by calling me a disrespectful name!

He's right! From now on, you boys will call this guy MR. Chink!!

Okay! Before you begin to work, we give you a healthy breakfast . . .

Y-you call this ■ "healthy breakfast"?! A cup of hot water, a piece of stale bread, and ■ strip of bacon covered with—ulp—maggots?!

Yum-yum! I never expected anything like THIS! I had heard that railroad food was TERRIBLE!

Tame, you're not like any man I've ever met! You never complain about anything, and you stay off by yourself all the time! Don't you ever get lonely?

Is a tree lonely? Does a flower crave companionship? Does ■ butterfly need a night out, bowling with the boys? No!

And mainly, I am never in one town long enough to MAKE OUT with anybody!

Okay! Breakfast is over! Now . . . here's your schedule! You'll work six straight hours until your 10-minute Lunch break! Then, you'll work nine straight hours until your 10-minute Dinner break! Then, you'll work five more hours, get ■ full four hours sleep, and start all over!

Hey! We won't stand for that!

It's—it's inhuman!

Cruel!!

Why aren't you complaining???

A little vacation never hurt anyone!

I see that you men are all set to go to work, so I will move out of your way . . .

That'd spoil everything! You're the one we want to go to work on! We'll teach you to do more work than the rest of us put together, and make us look bad . . .

Master . . . how can one defend one's self when there are ■ GROUP of adversaries?

Here, Mosquito! Take this stick . . . and the rest of you each take a stick! Now . . . all of you, attack me!

SOCK  
CRACK  
CRUNCH  
WHACK!

That is how!

But, Master! We have beaten you!

That is correct! Not only did you assault me, but you assaulted me with weapons! And even though you far outnumbered me, you did not care! But . . . notice now how your consciences are beginning to bother you! Boy, I'd hate to be in YOUR sandals now!

You are right, Master! I will never forget this terrible, awful feeling!

Go ahead . . . attack me!!

CRACK  
SOCK  
WHACK  
CRUNCH

Not only did you assault me, but you assaulted me with weapons! And even though you far outnumbered me, you did not care! How do you feel about that now?

I feel GREAT!

Yeah, great!

Me, too!

Somehow, I think that parable lost something in the translation!

Okay . . . who started this fight?

HE DID!!

Tame, you're a good worker, but you sure love to start fights! And for that, you gotta be punished! Put him in the "shed" for 48 hours!

I don't know what YOU did, but I don't deserve this unbearable torture! This shed is made of metal, and with the sun beating down on it, it's over 150 degrees in here!

I CAN'T STAND IT ANY LONGER! SOMEBODY OUT THERE, HELP US!!

Hey, don't you feel anything at all?

Well, I did feel a slight draft on my back, but I overcame it with my mind! Here, my friend! Would you like to wear my jacket?

H-how do you do it?!

Flick out the candles with your fingers, Mosquito! But do it very quickly! In that way, you will not be burned! Just make sure to extinguish them all!

But—I do not understand why!

Do it and you will SEE why!

There! The candles are all out . . .

HAPPY BIRTHDAY TO YOU!  
HAPPY BIRTHDAY TO YOU!  
HAPPY BIRTHDAY, DEAR MOSQUITO!  
HAPPY . . . BIRTHDAY . . . TO . . . YOU!

You can release the prisoners from the shed! They must be half-baked by now!

Half-baked?!? One of them's in there singing "Happy Birthday"!

I hope you learned your lesson, Tame! I'm warning you, if you start any more fights, you go back in for twice as long! I'll straighten you out, even if you end up hating me!

I cannot hate you! Can the bird hate the worm? Can the cat hate the mouse! They are necessary to each other! True, the bird might hate the cat, and the mouse might not look twice at the worm ... but not that often! No—

To hate one upon whom you depend is to hate yourself for your dependence! Therefore—

Put him back in the shed for another 48 hours! He **is** half-baked! Let's see if baking him **will** the way helps!

Much as I appreciate the use of your Sauna, would it not be better to put me back to work?

You really are a—a different kind of man, Tame! You work harder and longer than any man I ever saw, and then you ask to work even harder!

In my country, we have a word for this kind of simple life style! It is called "Fulfillment"!

In this country, we have a word for it, too! It is called "Idiocy"!

**TIMBER!!**

Tame, how did you make that tree fall? You don't even have an axe!

The secret lies in knowing in your mind that you can actually **WILL** the tree to fall ...

... and also, you must pick a tree that the **BEAVERS** have been gnawing upon!

Well ... Gentlemen, your six months at hard labor **is** over!

Note how time flies when you are having fun!

Each of you will get **forty silver dollars** when you leave here!

I do not want any pay ... !

But, why?

Who is richer, Mosquito ... a man with gold and diamonds ... or a man with a single blade of grass?

A man with one blade of grass!

How do you figure that? Boy, are you stupid! Do you know how much one blade of grass is worth? A millionth of a Yen—tops! Why, you can buy a **WHOLE LAWN** for 20 Yen! Let me ask you another! Who is richer ... a man who owns a ship ... or a man who owns an orange?

Er ... uh ... a man who owns a ship!

Can you eat a ship for breakfast? Does a ship contain Vitamin C? Can you squeeze a ship and get juice?!!

Master, I am afraid I have gotten a little lost ■ today's lesson!

**YOU'RE lost?!** I haven't the vaguest idea of what I'm talking about! I was actually trying to teach you that a fool and his money are soon parted!

Could you not have said that straight out in the beginning?

Oh...? Trying to spoil an old man's FUN?!!

Oh, no, Master! I would never want to spoil your fun! I feel ashamed!

To be ashamed with a reason is fruitful! To be ashamed from ignorance is fruitless!

I... I did not know that!

Then you should be ashamed, Mosquito!

Master, why do you call me "Mosquito"?

Because like a Mosquito, you are small and industrious, with an unquenchable thirst for knowledge!

But mainly, when you are near me, you make me ITCH!

And what will you do NOW, my friend?

Well, I just learned that a very rich Uncle of mine died and left me a fortune! So I guess I gotta buy me a big ranch, find myself a beautiful woman, and live like a king for the rest of my life! How about you, Tame? What'll you do?

I will go into the woods, eat some roots and berries, sleep on a rock, and talk to ■ snake!

Oh, wow! You really know how to LIVE!!

Oh-oh! Look at that! The whole town's out there! They've come to persecute me again!

Do not worry! I will help you!

Please, Tame! I don't want your help! I don't need another six months at hard labor!

How can you seek to injure one of God's creatures!? Have you no love for your fellow man?!

**Love?!!** That man with you is responsible for foreclosing on the mortgage of the County Orphanage!!

**Yeah!** And he's the one who's been stealing from the money from the Collection Box in the Church!

**Yeah!** And he's our Daddy, and he hasn't bought us any clothes for years!

**Yeah!** And he's the one who set fire to the Town Hospital!

**And poisoned the Town Well!**  
**And blew up the Court House!**

It has been written... "Love thy fellow man, and you will know of his true goodness!"

Unfortunately, it was written about "fellow men" in CHINA, centuries ago! Somehow, it loses something when applied to AMERICANS!!

## LAND OF THE FREEBIE DEPT.

Remember that drawer you've got jammed full of trading stamps, and cards that may entitle you to a free car wash if you live long enough, and certificates good for 25¢ off on a pizza, and tokens for playing a gas station prize game that ended in 1969? Well, you're still hanging onto all that junk because some smart cookie planned it that way: to swamp you with advertising that looked too valuable to throw out. Among people who make a business of selling  what we don't really want, those coupons and tokens and stamps are known as "Sales Promotion Gimmicks." And like anything else that promises to give us something for almost nothing, they work. In fact, the whole "giveaway" idea works so well that MAD thinks it's bound to spread to some professions that don't currently  much advertising at all. And we herewith envision the trash that will soon be cluttering up our drawers

Before we partake of our Thanksgiving feast, let us thank The Lord for what he has given us . . .

We thank Thee, Oh Lord, for our good health, and for our good fortune, and for allowing us to live in the greatest country in the world! But mostly, Oh Lord, we thank Thee for giving us this happy holiday of Thanksgiving!

Gee, your Old Man is really great! I mean, he's so . . . so sentimental and patriotic about Thanksgiving!

That's because he's in the TURKEY BUSINESS!!

# THE LIGHTER SIDE OF... THE HOLIDAYS

Boy, am I glad to be getting away from this hell-hole of a school for the Holidays!

Where are you going?

Back home!

When I get there, I'll give my folks the "Big Hello" . . .

And then they'll give me the "Big Put-Down" about my long hair and my pot smoking and my shocking attitudes toward money, sex and all that jazz!

Then, I'll bug them about their dumb Middle Class morality! And they'll scream at me! And I'll scream at them! And then I'll blow, and hang around the local gin mill or watch TV in my room, and I'll do a lot of counting!

Counting what . . . ? ! ?

Counting the days till I can get back here to this lovely hell-hole of a school!

This is the prettiest season of the year! Everything is so attractively decorated and beautifully illuminated! This block of yours is particularly stunning! Each house is lit up more spectacularly than the next! You must be very proud!

I used to be . . . when I was the only one on the block who did it! Then, those dirty rat-fink neighbors of mine all began to copy me! The lousy so-and-so's poured fortunes of money into their decorations, trying to out-do me . . . and show me up!

Why, those bums have overdone it so much, they've completely minimized the effect of MY decorations and message . . .

And how was **YOUR** joyous Christmas morning, Sonny?

It wasn't so joyous!

The whole family was there . . . Gran'ma, Gran'pa, Mom an' Dad, Aunts, Uncles, Cousins, Sisters an' Brothers! And there was such hollarin' and carryin' on!

"It's not fair! You gave her a better present than you gave me!"

"His costs more than mine costs!"

. . . and awful stuff like that!

Well, that's to be expected when it comes to Children! It's called **Sibling Rivalry!**

Yeah, but it wasn't the Children doing the hollarin'! It was the **GROWN-UPS!!**

**MERRY CHRISTMAS, EVERYBODY!!**

What do you mean, "Merry Christmas, Everybody!!"? Do you realize that for people who live alone, Christmas can be the saddest time of the year?

I—I never thought of it that way! And YOU live alone, so you're one of those people, aren't you?

Sa-a-ay! You're spending the Holidays with US!! Gee, Christmas must've been HELL for you all these years, huh, Sid?

Not since I started using this sob story, it hasn't!

Ooohh! Am I sick! My head is exploding! I'm making a New Year's resolution!! I will never ... NEVER do what I did THIS New Year's again ... EVER!!!

Boy, you look terrible! You must've really tied one on!

Sorry, but I don't drink!

Aw, c'mon! Don't kid me! It's obvious that you're suffering from too many trips to the Punch Bowl!

The Punch Bowl? No, I missed that one!

But I must've seen every other one they televised ... the Sugar Bowl, the Orange Bowl, the Cotton Bowl, the Gator Bowl, the Tangerine Bowl, the Sun Bowl! ... Ooohh! Am I sick!

You hang your stocking up there on the fireplace ... and Santa Claus will come down the chimney and fill it with toys and goodies!

**BALONEY!**  
IT'LL NEVER HAPPEN!

Don't you believe in Santa Claus?

Sure I do!

But I DON'T believe in phony fireplaces that haven't got any chimneys!

Do you realize that we didn't send out any Christmas Cards this year? And it's too late now! What will we ever tell our friends and relatives?

Tell 'em we broke our writing hands, skiing!

No... they'll never believe that story!

Tell 'em we both came down with the Flu, and couldn't bring ourselves to lick the stamps and spread the disease!

No... they'll never believe that!

Tell 'em we sent out the cards... but the lousy new Postal System LOST them!

THAT THEY'LL BELIEVE!

Gee, this is a very expensive Christmas present you're buying for your Dad!

Why not? He's a great guy, and he deserves the best!

There's no Generation Gap in OUR family! My Dad is fantastic with the kids! He digs the whole scene! He works like a dog, and he's a great provider!

Er... how do you plan to pay for this?

With my Dad's Charge Plate!

He also has a great CREDIT RATING!!

H-h-hello, Mom?? I-I thought I'd call you up and wish you a Happy New Year!

The same to you! What's the matter? I can hear it in your voice! You can't fool a Mother's heart! Something's wrong!

Nothing's wrong, Mom! It's just a bummer to be alone on New Year's Eve!

You poor thing! Where are you?

In a phone booth... on Times Square...

I want a plastic model toy of the M-16 Rifle, a model kit of an "Honest John" Rocket Launcher, and a model of a B-52 Bomber!

I also want a Size 10 complete Football Uniform with shoulder pads and helmet and shoes and the whole bit, plus a complete Baseball Uniform with glove!

I'm sure your son will enjoy all these Christmas presents!

SON?! I'll have you know these things are all for my ten-year-old DAUGHTER!!

Haven't you ever heard of WOMEN'S LIB...?!?

One Round-Trip Ticket to New York's Kennedy Airport, please!

Sorry! All flights are booked solid!

You gotta be kidding!

No, I'm not! Most reservations over Christmas are made months in advance!

But I'm—I'm desperate! I just GOTTA get home for the Holidays!

Oh, well, in THAT case, we can help you!

We still have some space available over EASTER!!

Boy, when it comes to the Holiday Season, everybody has their hands out... saying, "Gi! me! Gi! me!"

I know! I know!

I had to tip the Janitor, the Doormen, the Postmen, the Garbagemen... and a lot of other moochers!

I know! I know!

It's nothing but a form of LEGALIZED RIP-OFF!

I know! I know! I've got the same troubles!

Hmmm, I'm beginning to see a "bathroom" pattern here!

Yes, isn't it pretty? It's an original Fucci! My decorator—

Not on the wall, Mrs. Crawfish! I mean a criminal "bathroom" pattern. Your husband is the 4th prominent industrialist found dead in his bathroom. Don't you find that strange? No, this is no mere coincidence! This is the work of someone aware of the fact that each of these men has been accused of being a major polluter!

Oh, you mean like a deranged ecologist?

Are there any other kind? Imagine, those idiots want to ban no-return bottles!

C'mon, we're going to pay a visit to the Earth and Sewer Science Dept. at the University. They ought to be able to help us with the ecology nuts.

Oh, you can call me John!

Ah, such a delightful name!

Doctor, I'm sure you heard about the four industrialists who were found dead in their bathrooms.

Oh, boy! What a way to go!

Since all those men were allegedly involved in pollution, we have reason to believe that maybe the killings are the work of an ecology crank. We thought maybe you could help us flush him out!

When it comes to flushing, I'm your man! Especially since I may have an idea about this bizarre case. You see, my assistant, Miss Silicone, and I have been conducting some experiments...

Oh, you mean that yecchy stuff in the test tubes?

Precisely! By simulating the slop dumped into the river and exposing it to ultra high heat, I've created a living cell which I call the Yecch Factor.

**MAD** has come up with a device to shake up those indifferent and incompetent people you too often find yourselves at the mercy of. It's called a "Rattler". Here's one I'll bet you never heard of! If you don't gi'me \$15 for this ten, I'm gonna stand here and stare at you for a week! Do you know what it's like to have a kid stare at you with unflinching eyes for seven days?

No! You ... you wouldn't!

Particularly a rotten kid with the nastiest face in the world! Namely, me!!

Stop! Please!

And if that don't work, I'll repeat everything you say for a month!

No! Anything but THAT!

No! Anything but THAT!

How do you like THAT for a new con-game?

It's kinda subtle . . . but it just might work!

How much money did we take in during the past few weeks, Oddie?

Plenty! From now on, we work on an allowance system! Okay?

Good idea! I'll be very generous with you, too!

You don't understand! YOU'RE the one on an allowance!

My God, you're not my daughter! You're my Mother!

What a stupid thing to say!

Sorry!

Just for that, you go to bed without your dinner!

Oddie, this is Pixie Ignite, and her servant, Unguentine! They're going to be traveling with us! Pixie is a Professional Dancer!!

I don't know about dancing, but she's a professional, all right!

Mah, mah! Aint' she purty! How old is she?

Nine . . . going on forty-one!

How come I have to sit in the back! You, I can understand! But why me?

It's Miss Pixie's idea! She's a real terrible woman!

Why do you work for her?

I dunno! I guess things could be worse!

How . . . ?

Well . . . I could be workin' for YOU!

We gonna stop off in a li'l ol' hotel in the next li'l ol' town an' we gonna have a peck 'a fun, ain't we, Snow?

She's not only a terrible person, she's also stupid!

Where does she come from?

London, England!

How come she's got a Hillbilly accent?

I TOLD you she's stupid!

We gotta break up this thing between Snow an' Pixie! She's gonna do terrible things to him!

You're wrong! She's very GOOD at what she does!

I got an idea! I'll tell the desk clerk Pixie has the hots for him! Then, when he goes to her room, I'll tell Snow! He'll walk in and get jealous, Pixie will get embarrassed, and that'll be the end of the affair! What do you think?

Sounds okay, except for one thing! What makes you think Pixie'll get embarrassed?

Don't you see? There'll be two men in her room!

Are you kiddin'? She's so cool, she took on the whole Police Force of Wichita while she was readin' a book!

THAT's who you're gonna fix up with Pixie?! I get the feeling he doesn't go out much!

Hi, there! How would you like a date with a gorgeous, sexy girl?

I'm all yours, Baby!

What did I tell you?

Not with ME, Stupid! I'm 9 years old!

Listen, who's perfect?

I see it worked like you planned! What happened? Did the clerk go to Pixie's room, and Snow walked in on them?

No, the clerk went to Snow's room by mistake, and Pixie walked in on them!

What was he doing in Snow's room when she walked in?

Proposing marriage!

See? I TOLD you he doesn't go out much!

Listen to me, Oddie! Everything's gone wrong since I tied up with you! You've destroyed my manhood, you ruined it for Pixie and me, and all of my con-games keep failing! Now, I got one more caper up my sleeve . . . which is gonna be my biggest one yet! If you ruin this one, you're gonna join your Mother in Kansas!

You mean join my Aunt in Missouri! My—my Mother is dead, and buried in Kansas!

You HEARD what I said!

Now, listen! I got a brilliant plan! You see this whiskey? I stole it all from that shed over there! You see that guy coming? He owns the shed, AND the whiskey! But he don't know I stole it from him! Now, what I'm gonna do is sell him back his own whiskey! What do you think of that?

Forget these kiddie games, Snow! What's the brilliant plan?

You DESTROYED my Manhood!! Now you're working on my BOYhood!!

Hi, friend! How'd you like to buy some booze, cheap?

Okay, I'll give you \$600 for the lot! Wait a minute! Maybe I'd better not! My shed is jammed full with whiskey, and I don't know if I got the room for this!

It'll JUST fit! Trust me . . .

It worked! A caper finally worked!

Look! A Police car . . .

Oh-oh! Somebody must have tipped off the Cops! And the Sheriff in this town has it in for me! Quick . . . into the car . . .

But, the car's gone!

Oh, no! We gotta get out of here!

Hi, there friend! It's me again! Uh, you wouldn't happen to have a car I could borrow, would you?

Gosh, I'd love t' help out a business client, but I don't have one to lend you! However, I could SELL you a car for say, \$700!

Take it, Snow! The cops will be here any second!

Okay, here's the \$600 I got for the booze, plus \$100 of my own! Where's the car?

Right here, pal!

Cripes! While I was stealing his booze, he was stealing my car! Nothing goes right for me! Nothing!

Y'see that bridge? Once we cross it, we're in Missouri, and that Sheriff can't touch us!

Well, things ain't so bad after all! How much money do we have left from our other capers?

I've still got \$800 in my cigar box . . . !

Hey, I've been meaning to ask you about that! You've been carrying that funny li'l cigar box around with you ever since we met! What else do you keep in it besides money?

Oh . . . just some clothes, some spare food, my underthings, my dirty laundry, a couple of old goldfish . . . You wanna see . . . ?

No, no! Please!!

Hi, there, Miss! Er—what happened to him?

I don't know! I just opened my cigar box, he began screaming, "That smell! That smell!" . . . and then he passed out! I—I don't understand!

Well, I DO! Gag! So, just give me all your stolen money, and you can be on your way!

Aunt Millie? I brought you your niece, Oddie Bodkins . . . and good riddance!

Oddie! How wonderful to see you! You're going to stay here with me for the rest of your life, and have your own room, and eat good food, and live in comfort and security! And no more terrible people will ever bother you again!

I'd rather go with you, Snow!

You mean, you won't take it?

I'LL TAKE IT!!

But it's not fair! It's MY ROOM!! And after all . . . I'm your flesh and blood!

I know, dear! But he got there first! And besides, he needs it more than you! He's in very bad shape!

But where will I live?

Why don't you move into the haunted house on the corner?

Th-that house isn't haunted!

It will be . . . just as soon as YOU move in!

**WHEN IS  
THERE  
NEVER A  
SHORTAGE  
OF GAS?**

## HERE WE GO WITH ANOTHER RIDICULOUS **MAD FOLD-IN**

The "Gas Shortage" controversy rages on. Some people said that last Summer would be terrible, while others predict that this Winter will be unbearable. But one thing's for sure! There's a certain time of year when the shortage of gas completely disappears! To find out when this occurs, fold in the page as shown at the right.
